

FREEFLOW SPAS®

**MONTEREY™**

PREMIER

### REINVENT FAMILY TIME.

The Monterey™ spa is one of the largest spas in the Freeflow® line, comfortably seating seven adults. It has enough room for the kids to play, the adults to relax, and the whole family to disconnect from the world. Endless laughter, smiles, and good old fashion fun is almost guaranteed when everyone can get together and enjoy the quality time and soothing warm water. The Monterey is easy to set up, and is made from tough, weather-resistant materials with a kiss of sophistication with the wood siding. With this spa, you can focus more on family time and less on worrying about what needs to be done next! Sit back, relax, and enjoy this spa by yourself or with friends and family.
